150 LOW-TOX PRODUCTS FOR A HEALTHIER HOME & LIFESTYLE

Physician-curated printable guide

How to use this guide. Products were selected for lower-exposure design, material choice, ingredient transparency, filtration/testing, or third-party evaluation. EWG labels apply only to the exact products/formulations identified; they are not brand-wide endorsements. For categories EWG does not evaluate, the rationale is based on the exposure-reduction purpose of the product. Formulations and certifications change, so re-check current product information before purchase.
